Bully game apk file

Rockstar Games tradition of innovative, original gameplay and tongue-in-cheek storytelling humor invades the schoolyard in Bully: Anniversary Edition. As a mischievous 15-year-old Jimmy Hopkins, you'll be navigating the social hierarchy of the corrupt and crumbling prep school, Bullworth Academy. Stand up to bullies, get picked on by teachers, beat athletes to dodge ball, play pranks, win or lose the girl and survive a year in the worst school around. Bully: Anniversary Edition includes everything from acclaimed bully: Scholarship Edition plus support for high-resolution screens, improved graphics, improved lighting and textures, and redesigned controls for touch gameplay, all while adding multiplayer with new friend challenges. Friend Challenges are head-to-head class and arcade style mini-games: see who can dissect the fastest frog in Biology, solve word problems in English, help a flying squirrel destroy its enemies with acorns in Nut Shots, and much more. Features: • Includes the full Bully story with additional missions, characters, class mini-games, and unlockable elements from Bully: Scholarship Edition • Superb graphics: high-resolution textures, dynamic lighting, shadows and particle effects • Native support for high resolution displays • Enhanced with touchSense Image Effects • Challenge your friends anywhere with turn, multiplayer-based Friends Challenges. Play on the go and be notified when it's your turn • Smart touch controls with contextual buttons only when you need them • Continue playing on all your devices with cloud saves via Rockstar Games Social Club • Mobile Controller Support Developed with War Drum Studios. Rockstar game is a famous name in the gaming industry. The most famous Grand Theft Auto series is developed by Rockstar games just like GTA 4 APK + OBB. Not just the GTA series, but Rockstar has developed a lot of games. Bully Anniversary Edition APK is one of them. Among all the games Rockstar has developed for Android, Bully Anniversary Edition APK is the best of all. It's one of the most original gameplays you'll find on your Android device. If you like to play PC games a lot, then playing bully anniversary edition would be a lot of fun. Rockstar games are known for developing out-of-the-box games. With cutting-edge graphics, intense gameplay, and bigger than life characters, we like to play such games. Bully anniversary edition APK mod comes with a lot of interesting things. You play the role of Jimmy Hopkins, who is part of a prep school. With a lot of corruption in the school, he has constant clashes with the authorities and bullies. There are different versions of the game. Bully Anniversary Edition APK data is the latest and most popular version of all. Download APK Download OBB With intense gameplay, characters, actions, activities, and much more, you will love to play this game. If you are tired of playing royale fighting games, then you will find this game much more interesting. You can play head-to-head challenges or even play arcade-style mini-games inside The latest Bully Anniversary Edition APK. If you are willing to download Bully APK mode, then you are in the right place. Here, we share direct download links. You can enjoy the modified game and play it to pass your free time during this blocking period. Also, Download: App Cloner Premium APK Bully Anniversary Edition Game Features High-Quality Graphics - High Quality Graphics is what matters most for Android games. The days of low-end smartphones are gone. Now everyone has high-end smartphones that have the ability to run high-end games. Bully anniversary app edition for Android comes with high quality graphics. Fully optimized graphics are suitable for any smartphone that has more than 4 GB of RAM. If you have a low-end smartphone, you can play the game. But you have to sacrifice the graphics, which ruins the entire gameplay. In short, excellent graphics will enhance the gameplay of aPK bully for Android. Full Package Bully - Bully Anniversary Edition APK is not the only game in Series. There are other versions of this game too. Rockstar games have added characters, missions, activities, and unlockable elements from other games. Games. short, is the complete Bully package for Android. If you have played the other versions of this game, then you will find the characters, missions, unlocked objects, activities, class mini-games and others from Bully: Scholarship Edition. It is great to enjoy the game's assets from other versions in this game. This improves gameplay tenfold. Multiplayer challenges - single-player missions are interactive. But they are boring when they are addicted to online multiplayer. Fortunately, Bully Anniversary edition mod APK supports multiplayer challenges. You can play the whole game with your friends online. You can also challenge your friends to fight online class mini-games. All you have to do is challenge your friends and start playing when they're ready. The game supports turn-based multiplayer mode. So you have to wait until it's your turn. After that, you can start playing the game without problems. As the game is more of a single-player game, we should stick with it. Multiplayer mode is the added feature that improves gameplay. Cloud Game Save – The cloud game save feature is introduced by Rockstar games. The company has introduced cloud support. The progress of the game you save locally is automatically saved to the cloud. Which means you can access progress on all devices. If you use multiple devices, then saved progress can be accessed on other phones. You can start playing the game on another device with access to a cloud account. All you need is your Rockstar account to activate this feature. With this feature, you can ensure to save the progress of the game safely. Physical Controller Support – Playing such intense games on your touchscreen device can be a hectic task. Either you have to play the game on the desktop or play the same with the controller support. Not all games have controller support. So you have limited options when you use the controller to play Android games. Fortunately, Bully Anniversary Edition APK 200MB supports the physical controller. You can attach any third-party controller to your device and start playing the game. The holder is seamless, and you will not face any problems with the same thing.
